

International University Scholarship Form

Program title	PhD by research in field of stem cells and reproduction	
Degree	Master's	Fellowship
	Ph.D.	Training program
Short description	Using new methods for generation of stem cells from reproductive system sources such as embryos, amniotic membrane, and amniotic fluid. And also applying stem cell research for future treatments in infertility such as in vitro gametogenesis.	
Number of scholarships	1 per year	
Commencement	September each year	
Requirements	MSc in Biological sciences and English qualification	
GPA (Grade Point Average)	15	
Duration	4 years	
Instructor(s)	Dr Behrouz Aflatoonian	
email	b.aflatoonian@ssu.ac.ir	
Phone	03538247085	

Program title	MPhil (Master of Philosophy) in Stem cells and reproduction	
Degree	Master's	Fellowship
	Ph.D.	Training program
Short description	This is a by research course without thought modules. Using new methods for generation of stem cells from reproductive system sources such as embryos, amniotic membrane, and amniotic fluid. And also applying stem cell research for future treatments in infertility such as in vitro gametogenesis.	
Number of scholarships	1 per year	
Commencement	Beginning of September each year	
Requirements	BSc in Biological sciences; English qualification	
GPA (Grade Point Average)	15	
Duration	2 years	
Instructor(s)	Dr. Behrouz Aflatoonian	
email	b.aflatoonian@ssu.ac.ir	
Phone	03538247085	

Program title	Training program in Stem cells and reproduction	
Degree	<input type="radio"/> Master's	<input type="radio"/> Fellowship
	<input type="radio"/> Ph.D.	<input checked="" type="radio"/> Training program
Short description	This is a by research course without thought modules. Using new methods for generation of stem cells from reproductive system sources such as embryos, amniotic membrane, and amniotic fluid. And also applying stem cell research for future treatments in infertility such as in vitro gametogenesis.	
Number of scholarships	1 per year	
Commencement	Beginning of each semester	
Requirements	MSc and MSc in Biological sciences; English qualification	
GPA (Grade Point Average)	15	
Duration	6 months	
Instructor(s)	Dr. Behrouz Aflatoonian	
email	b.aflatoonian@ssu.ac.ir
