

Award winners of the 4th Yazd International Congress and Student Award in Reproductive Medicine

F. Mansoori Moghaddam

Affiliation:

Research and Clinical Center for Infertility, Shahid Sadoughi University of Medical Sciences, Yazd, Iran.

Title:

Comparison of early pregnancy and neonatal outcomes after frozen and fresh embryo transfer in ART cycles

WS. Aboussahoud

Affiliation:

Academic Unit of Reproductive and Develop, University of Sheffield, Sheffield, UK.

Title:

Activation of Toll-like receptor 5 decreases the attachment of human trophoblast cells to endometrial cells in vitro

M. Mashayekhy

Affiliation:

Department of Obstetrics and Gynecology, Research and Clinical Center for Infertility, Shahid Sadoughi University of Medical Sciences, Yazd, Iran.

Title:

Comparison of mild and microdose GnRH agonist flare protocols on IVF outcome in poor responders

MA. Sabbaghi

Affiliation:

Department of Biology, Faculty of Sciences, Ferdowsi University of Mashhad (FUM), Mashhad, Iran.

Title:

In vivo differentiation of Mesenchymal Stem Cells (MSCs) in rat torsion testis

S. Nazari

Affiliation:

Department of Developmental Biology, Islamic Azad University, Jahrom Branch, Jahrom, Iran.

Title:

Maturation capacity, morphology and morphometric assessments of human immature oocytes after vitrification and in vitro maturation

A. Abedelahi

Affiliation:

Department of Anatomy, Tabriz University of medical sciences, Tabriz, Iran.

Title:

The effect of selenium on reactive oxygen species concentration of cultured preantral follicles from vitrified mouse ovaries using conventional and direct cover technique

F. Peyghambari

Affiliation:

Department of Anatomy, Azad University, Yazd, Iran.

Title:

The correlation between the endometrial integrins and osteopontin expression with pinopodes development in ovariectomized mice in response to exogenous steroids hormones

Award winners of the 3rd Yazd International Congress and Student Award in Reproductive Medicine

E. Siasi

Affiliation:

Department of Medical Genetics, Tarbiat Modares, Tehran, Iran

Title:

Relationship study of six SNPs in PRM1, PRM2 and TNP2 genes with idiopathic azoospermia in Iranian infertile men

A. Nadjarzadeh

Affiliation:

Department of Nutrition, Tehran University of Medical Sciences, Tehran, Iran.

Title:

Effect of ubiquinone supplementation on seminal oxidative status of infertile men with oligoasthenoteratozoospermia

T. Najafi

Affiliation:

Department of Biology and Anatomical Sciences, Shahid Beheshti University of Medical Sciences, Tehran, Iran.

Title:

Immunohistochemical localization of endothelial nitric oxide synthase in endometrial tissue of women with unexplained infertility
