

## Award winners of the 3<sup>rd</sup> Yazd International Congress and Student Award in Reproductive Medicine

### **H. Oskouian**

**Affiliation:**

Research and Clinical Center for Infertility, Shahid Sadoughi University of Medical Sciences, Yazd, Iran.

**Title:**

A comparison between anti-müllerian hormone and small antral follicle count in prediction of high responders to controlled ovarian hyperstimulation

### **M. Anjomshoa**

**Affiliation:**

Department of Stem Cells, Royan Institute, Esfahan Campus, Esfahan, Iran.

**Title:**

Generation of motor neurons by co-culture of retinoic acid-pretreated embryonic stem cells with chicken notochords

### **AI. Ritchie**

**Affiliation:**

Academic Unit of Reproductive and Developmental Medicine, University of Sheffield, Level 4, Jessop Wing, S10 2SF Sheffield, UK.

**Title:**

Characterisation of the surface proteome of oviductal epithelial cells in different phases of the reproductive cycle

### **LS. Khorsandi**

**Affiliation:**

Cell and Molecular Research Center, Ahvaz Jundishapur University of Medical Sciences, Ahvaz, Iran.

**Title:**

Study of minocycline effect on apoptosis and expression of proapoptotic proteins in mouse spermatogenic cells

### **M. Javedani**

**Affiliation:**

Research and Clinical Center for Infertility, Shahid Sadoughi University of Medical Sciences, Yazd, Iran.

**Title:**

An assessment of lifestyle modification versus medical treatment with clomiphene citrate, metformin, and clomiphene citrate-metformin in patients with polycystic ovary syndrome (PCO)

### **M. Al-Jefout**

**Affiliation:**

Department of Obstetrics and Gynecology, Queen Elizabeth II Research Institute for Mothers and Infants, University of Sydney, Sydney, 2006, Australia

**Title:**

The novel finding of high density of activated mast cells in endometrial polyps

### **F. Homayouni Moghadam**

**Affiliation:**

Department of Stem Cells, Royan Institute, Isfahan Campus, Isfahan, Iran.

**Title:**

Transplantation of primed or unprimed mouse embryonic stem cell-derived neural precursor cells improves cognitive function in Alzheimerian Rats

## Award winners of the 3<sup>rd</sup> Yazd International Congress and Student Award in Reproductive Medicine

### **SS. Mamzolja**

**Affiliation:**

Department of Embryology, Reproductive Medicine Center, Royan Institute, Tehran, Iran.

**Title:**

Survival rate of preantral follicles derived from vitrified neonate mouse ovarian tissue by cryotop and conventional methods

### **F. Ghaffari**

**Affiliation:**

Department of Endocrinology and Female Infertility, Reproductive Medicine Research Centre, Royan institute, ACECR, Tehran, Iran.

**Title:**

Hysteroscopic polypectomy without cycle cancellation in IVF cycle

### **SM. Seyedhassani**

**Affiliation:**

National Institute for Genetic Engineering and Biotechnology, Tehran, Iran.

**Title:**

Molecular study of internal apoptotic pathway BAX and BCL2 genes and mitochondrial genome in idiopathic repeated pregnancy loss

### **A . Abdelahi**

**Affiliation:**

Department of Anatomy, Tarbiat Modares University, Tehran, Iran.

**Title:**

The effect of selenium on Reactive Oxygen Species concentration of cultured prenatal follicle from vitrified mouse ovaries using conventional and direct cover technique

### **A . Kokab**

**Affiliation:**

Academic Unit of Reproductive and Developmental Medicine, School of Medicine and Biomedical Sciences, University of Sheffield, United Kingdom.

**Title:**

Development and characterisation on an in vitro model of persistent Chlamydia trachomatis infection using physiological levels of IFN- $\gamma$  found in semen

### **B. Ghobadi**

**Affiliation:**

Academic Unit of Clinical Pharmacology, University of Sheffield, Sheffield, UK.

**Title:**

Evaluation of the relationship between plasma concentrations of en- and zuclomiphene and induction of ovulation in anovulatory women being treated with clomiphene citrate

### **M. Ayazi Rouzbahani**

**Affiliation:**

Research and Clinical Center for Infertility, Shahid Sadoughi University of Medical Sciences, Yazd, Iran.

**Title:**

Association of p53 polymorphism with ICSI/IVF failure and recurrent pregnancy loss

### **Sh. Ahmadi**

**Affiliation:**

Research and Clinical Center for Infertility, Shahid Sadoughi University of Medical Sciences, Yazd, Iran.

**Title:**

Vascular Endothelial Growth Factor Gene Polymorphism and Ovarian hyperstimulation syndrome
